

ILLUSIONS OF ADULTING

by Sara Zimmerman

MOM?

Mommy!!!

You're here!

Of course
I'm here!

Steve called me right
after he called the
ambulance. I rushed down
here as fast as I could.

Wow. Thanks, guys.
I'm really just so sorry
to make you worry.

Worry? That's just part
of what happens when
you love someone, Dear.

We're just so happy that
you are awake so we can
start WEDDING PLANNING!!!
Congratulations!

ILLUSION:

REALITY:

Poof

Yay! I can't wait to
plan the wedding!!!

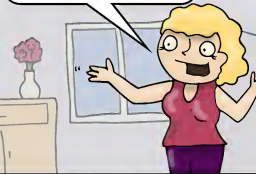

I can't wait to make the
wedding of our dreams!!!

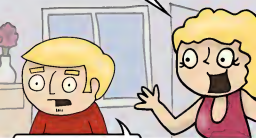

Uhhhh... wedding
of our dreams?

Well, your dreams, of course, but I can't wait to make it perfect for you.

In fact, to start things off, I think Steve has been waiting to give you something...

Uhhhh...

Oh right!
Hailey, I know our marriage
proposal wasn't exactly how
you had dreamed it...

...and I'm sorry about that.
But, I wanted to make our
engagement formal, so here...

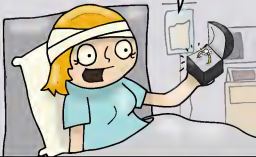

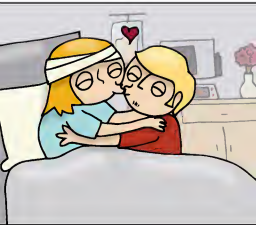

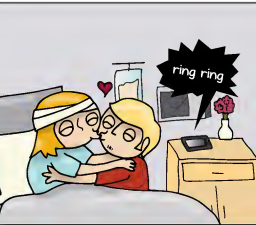

I had the heirloom earring
that I gave you, you know,
the one that you *didn't* lose,
made into a ring just for you.

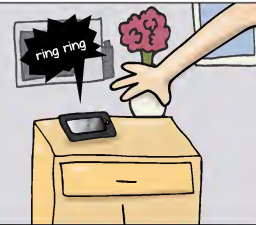

I LOVE IT!

Hello, Hailey's phone.

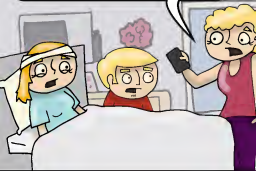

Oh, I see...

...well, if it's an
emergency
then...

Hailey, it's your boss at the oil company. It's an emergency.

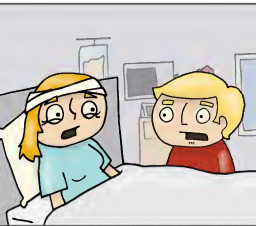

...and, he says you
better get in to
work ASAP...

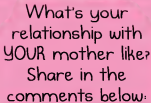

...if you want to
keep your job!
